

Passion fruit  
Annaliese  
Emmans

You  
are the  
apple of my  
eye  
And the kumquat  
of my nose  
You're the orange  
of my ear  
And the mango of my toes  
You're the raspberry of my lips  
The satsuma of my hips  
The guava of my thumb  
And the gooseberry of my bum  
You're the lemon of my wrist  
And the melon of my fist  
The kiwi of my knee  
The only one for me  
What a lovely pear we'd make  
You and I, and  
no mistake
